### **Public Safety**

**All applicants applying for a State of Vermont Marine Event Permit shall refer to nationally accepted standards and guidelines, such as those promulgated by the USA Triathlon (USAT) or the American Power Boat Association (APBA), when developing a safety plan for their specific event.**

**The event sponsor is responsible for the safety of the event. Should review of the application raise concerns that the event sponsor will be unable to ensure the safety of the participants, the event sponsor will be required to provide additional written information that demonstrates that the sponsor has a safety plan in place that will mitigate these concerns.**

### **Swim Events:**

Event sponsors must demonstrate a commitment to safety by implementing appropriate measures or combinations of measures, such as:

- Number and types of safety vessels
- Marking of safety vessels (to ensure that safety vessels are easily identifiable to swimmers in distress and responding emergency personnel)
- Methods of communication your safety boats will be using to report incidents and casualties
- Plan to account for swimmers pre and post-event
- Shore side emergency plan (i.e. ambulance on scene, emergency routes to hospital, etc.)

Compliance with nationally-accepted standards or guidelines, such as those promulgated by the USA Triathlon (USAT), are not required, however, they may provide helpful guidance when developing your own safety plan.

### **Power Boat Races:**

Maps for powerboat races should include a box with at least 4 points (latitude/longitude) marking the race area and should indicate the spectator viewing area(s).

In addition, please provide additional info indicating:

- How the race course will be marked
- Where safety vessels will be located
- The communication methods to be utilized by race personnel
- A safety plan indicating procedures to be taken in case of a marine casualty (whether occurring within the specific scope of a particular race or not)

Compliance with nationally-accepted standards or guidelines, such as those promulgated by the American Power Boat Association (APBA), are not required, however, they may provide helpful guidance when developing your own safety plan.

### **Traffic/Crowd Control:**

What arrangements have been made for crowd control, traffic control, security and parking?

- Please attach a **signed** agreement from the organization(s) providing each of the items above.
- Contact must be made with the VT Agency of Transportation (AOT) District(s) in which the event will take place. AOT may or may not require an additional permit for the event(s). See website at <http://vtrans.vermont.gov/operations/districts> for district maps and contact information.
- If the Town where the event will be held is policed by a local Police Department, Sheriff's Department or Town Constable please attach a **signed** letter from that department head or designee acknowledging and approving the event as well as information from the agency detailing their traffic/crowd control plan.
- **Medical Services:** Attach a **signed** agreement from the local emergency medical service department providing first response to the event.
