ACKNOWLEDGEMENT

- I acknowledge that the Vermont State Police bear no responsibility for the performance of the alarm equipment. Furthermore, I have read the State Police policy and understand that State Police response will be determined based on past performance and history of my alarm system and the circumstances at the time of the alarm activation.
- I acknowledge that after the 1st false alarm (within a calendar year), there will be a fee assessed for future false alarms and payment must be received within 30 days of the invoice date to avoid being placed in non-response mode. I also acknowledge that after three (3) false alarms (per calendar year), my alarm will be placed in non-response mode. At that time, should I wish to have the State Police begin responding again, I must comply with the reinstatement policy and procedures. I understand that my alarm will remain in non-response mode until compliance with the reinstatement policy and procedures are met.
- I acknowledge that it is my responsibility to keep all key holder information current with my alarm company and/or monitoring company. I have advised all key holders associated with my account that it's their responsibility to respond with the State Police for an interior inspection, but sometimes the key holder may be the only resource for responding. **Should there be any indication that a crime has occurred or is occurring the responder will contact 911 immediately.**

- I acknowledge that it's my responsibility that the Vermont State Police has current and correct contact information on file for me or my business.
- I understand that it's my responsibility to provide clear and accurate directions to my home or business to the Vermont State Police.
